MM 105-1872

One copy of this report is being furnished to INS locally, due to their interest in POZO as an alien residing in the United States.

This report is being classified "CONFIDENTIAL" inasmuch as information reported by MM T-2 and MM T-3 could reasonably result in the identification of confidential informants of continuing value, if such information were disclosed, and compromise future effectiveness of those informants.

Inasmuch as information set forth in this report gives no indication that POZO is actively engaged in a position of prominence within the anti-CASTRO movement, and his contact with this movement appears to be limited to maintaining social contact with former political associates, this case is being placed in a closed status. However, information coming to the attention of this office regarding any possible future involvement of POZO in revolutionary or illegal matters will be promptly reported.
